I've had the pleasure of knowing Jordan the last few years and have been absolutely moved by her strength and bravery to share her life experiences with the world. Her compassion for people speaks volumes for her true character. Jordan was born to be a master storyteller and I'm just honored to witness her journey unfold.

Jo is an incredibly genuine human being who has dedicated herself and this [cause, and] to the idea that we don't have to be alone while we heal from trauma no matter how big or small. I highly recommend.
